

Your debit card is now welcome at Hertz.

Hertz customers can now use a debit card option across selected European locations instead of a credit card if they prefer.

Debit card car rentals are available at Hertz locations in Belgium, Czech Republic, France, Germany, Italy, Luxembourg, The Netherlands, Slovakia, mainland Spain and the UK

At the time of pick-up the main driver will need to present a valid driver's license, a passport or ID card, and the credit or debit card under the name of the vehicle was booked.

For some car groups (Premium) the driver may be required to present one or two credit cards.
