... the dinner is made by Italian chef Bruno Barbieri, who has a total of seven stars TO HIS NAME.

➤ *Club restaurants*

There's a special restaurant for Suite Guests and Members of the highest level of the CostaClub, where you can enjoy breakfast, lunch and dinner in an intimate and elegant setting. For dinner the restaurant serves both regional menus from the main restaurants and gourmet specialties.

For guests who want to try something different! In an elegant setting, the Samsara restaurant combines the creativity of Costa chefs with traditional ingredients from Pacific and Mediterranean cuisines. The Pacific fusion menu is a real explosion of flavors!

➤ *Self-service restaurants*

Grab a quick snack by the pool and get the holiday feeling. Costa buffets are ideal for both quick lunches, if you just want a snack, as well as long lunches to top up your energy levels for all the excitement ahead. You can also have dinner in the buffet restaurants. We especially recommend this when you want a quick meal or if you have a large group of people with different requirements.

The secret is in keeping it simple; using wholesome ingredients, like fiordilatte mozzarella and extra virgin olive oil. The best hot and crispy pizzas are made by the most skilled Costa pizza chefs.

➤ *Chocolate and ice cream bars*

A hot chocolate? A chocolate shake? A special praline? A slice of sachertorte? Or perhaps a flavoured coffee? You can try them all here! Costa has chosen the very best supplier that Italy has to offer: the quality chocolate and pastry items are all made by Gobino and Biasetto. You will not be able to resist the chocolate fountain, an infinite waterfall of sweet goodness, ready to dip your crunchy biscuits or fresh fruit into. Try our delicious new crêpes too. At the moment you can choose from Nutella, white chocolate, peach jam, strawberries but soon there will be many more flavours available! A special highlight is Costa Diadema, where besides the Chocolate Bar there is also a homemade ice cream bar, like something out of a fairytale.

➤ *Special diets*

If you follow a special diet, such as gluten-free, hypoglycemic for diabetics, or if you have an allergy or intolerance, you can safely enjoy all the wonderful cuisine during your Costa holiday. Our chefs will be happy to tickle your taste buds with delicious menus that take account of your specific dietary needs. Breakfast, lunch and dinner menus for coeliac are available in restaurants on all our ships and if you prefer you can also bring food from home for your diet. BOOKINGS & MANDATORY DATA

At the Travel Agency, when purchasing Costa cruises, ask to book with the CostaClick.net system: this way you will be able

to check out with your Agent the best available real-time rate, the video of the chosen cabin type and the exact location on the deck. This way you can make the best choice.

Please note that you will be asked for an additional sum of: (i) € 100 per person in case of a replacement request as per art. 7 of the general terms and conditions for tourist package contract; ii) € 100 per person in case of withdrawal at least 60 days prior to departure for the Total Comfort rates, 30% of the package price in the event of withdrawal at least 90 days before departure for the Basic rate, as set forth by art. 6 of the general terms and conditions for tourist package contract.

As governed by international regulations and in order to guarantee a smooth cruise, please remember that it is mandatory to always provide the Travel Agent with the following details, yours and of the people travelling with you, required to complete Costa's booking and useful for offering additional services to support your holiday:

- Name and surname
- Date and place of birth, nationality, gender M/F
- Personal cell phone number of all adults in the cabin for emergency contact only
- Home address (address, Post Office Code, town, province, country)
- Email Address
- Number, date and place of issue, date of expiry of the Identity Document required by the itinerary
- Name, surname and telephone number of a family member or friend who Costa can contact if needed during the cruise
- Membership to the CostaClub in order to benefit from on board privileges you are entitled to.

Guests with special needs

Costa Cruises wishes to best accommodate the needs of people who would like to experience a cruise but have special needs, motor, visual or other impairments. International regulations require the Company to be aware of any "personal assistance needs in case of emergency" (wheelchairs, etc.) of the Guests in order to make the necessary arrangements. This information must be provided when booking through the Travel Agency or directly to Costa and once on board. Our ships have cabins equipped for people with special needs,

indicated by the letter H on the ship's decks. For more information go to www.costacruise.com/esigenzespeciali.

Minors and infant policy

Children under 18 can only travel on our ships if accompanied by an adult. Children younger than 6 months are not allowed on board. This limit is increased to 12 months for Great Cruises, Round the World, cruises lasting 15 days or more and for any other itinerary that, due to its characteristics, does not allow us to guarantee complete protection and safety for the health of our young Guests. Children under 3 years old do not pay for the excursion if an adult holds them on the vehicles.

Pregnancy

Since the ships are not equipped for pregnancy and childbirth support, bookings by female passengers who exceed the estimated 24th week of pregnancy at any time during the cruise cannot be accepted.

All pregnant women must produce a medical certificate attesting to their good health and their child's. Costa Cruises will not, in any way, be held responsible for any event that occurred during or after the trip and arising out of or related to pregnancy.

WEB CHECK-IN

Even as early as the day you book your cruise Web Check-In is the easiest and fastest way to make sure we have all the information we need for departure.

- 1) Go to the website www.mycosta.com. Enter your first name, family name and the booking number.
- 2) At least one month before departure fill in the boarding form online with the personal information and document details of all the guests that will be embarking with you, including:
 - Place and date of birth.
 - Identity document details.
 - A personal mobile phone number for each passenger travelling.
 - The first name, surname and telephone number of a family member or friend (not traveling with you) who can be contacted by Costa if necessary during the cruise.
- 3) Print the completed form and bring it with you when you board to guarantee you a fast and easy boarding experience.

DOCUMENTS

Travel documents

You will receive the following travel documents electronically through your Travel Agency or directly in your inbox if provided at the time of purchase:

- Cruise ticket

- Boarding form
- Luggage tags
- Summary of services purchased

In the travel documents you will also find information on the documents and visas, information on embarkation and disembarking and the emergency numbers. Travel documents are sent once the booking has been settled with Costa Cruises and the required data have been entered through the Web Check-in or with the assistance of your Agency, starting from three weeks before the date of departure. For more information about how and when the travel documents are sent, please contact your Travel Agency.

Foreign travel documents

Please check before departure that you have the identity document required for your chosen cruise and check its expiration date. In the event that a Guest is not in possession of the required document, he/she will not be able to board and will not be entitled to a refund of the cruise ticket.

Passports and visas

We would like to remind you that it will be up to guests to apply for specific visas for the countries visited during the cruise, at the Embassies/Consulates before leaving their country.

Guests will also have to check, at the time of booking and near the departure date, if they need any other visas, and any changes with respect to the notes published in the itineraries in this catalogue. Costa Cruises is not responsible for Guests not possessing the required visas.

Note: Passports or Identity documents may be collected at embarkation by ship staff and held for the entire cruise in order to show them to the various port authorities. Guests can ask to have them temporarily returned, if required.

Foreign travel documents for children under 18

For all cruises that require a passport as the document for foreign travel

Even children under 18 years must travel on their own passport. As of June 26 2012, children travelling on their parent's passport are no longer considered valid.

For all cruises that require a valid identity card for foreign travel

Children under 18 can travel with their passport or identity card.

If the child under 14 is not travelling with either of his/her parents, even if accompanied by people other than his/her parents, guardians or any persons mentioned in the document, please check with the Police Department or other Police Office for what is required for the minor to travel abroad.

VACCINATIONS

No specific vaccinations are required at the time of printing of this catalogue.

During the cruise

SECURITY CHECKS

For the safety of all Guests, the on-board Security staff performs checks on people and carry-on luggage when entering and leaving the ship at all ports. The inspections are performed via x-ray machine and metal detector. Please note that, for safety reasons, each piece of luggage can weigh a max of 20 kg. The size of the hand luggage must not exceed 55x35x25 cm in order to allow X-ray inspection. Medicines, computers, photographic equipment, valuable or delicate items must be carried in hand luggage. We ask you to cooperate with our staff to make these checks faster and more efficient. Cabin luggage is checked on the day of boarding. We remind you that the following articles are not allowed on board: weapons and ammunition, explosives, fireworks and rockets, compressed or liquefied gases (flammable, non-flammable, cooling, irritating or poisonous) such as camping gas, firework launchers and starter guns, infectious and poisonous substances, corrosive substances, radioactive substances, objects constituting offensive weapons, live goods and animals. We invite you to avoid purchasing antique weapons, knives, daggers, swords or similar items on shore. If any of these items are found in your possession, you will be prompted by the on-board Security staff to leave it on shore. Please also note that, in line with the health and safety standards adopted by Costa Cruises for its Guests, it is forbidden to bring on board any type of liquids and foodstuffs, whether carry-on luggage or cabin luggage. The only exceptions are personal care products (e.g. shampoos, bubble baths, creams, etc.), medicinal products, foodstuffs or special foodstuffs for children, products or foodstuffs for specially-certified diets. The prohibition also includes drinks or foodstuffs purchased during stops at the ports. Any typical regional products purchased during stopovers will be taken in custody on board the ship and returned at the end of the cruise.

SAFETY ON BOARD

Once you are on board, we invite you to familiarize with the ship's safety procedures, by reading the information displayed on the back of your cabin door, taking a few minutes to view the safety video that is already running when you first enter the cabin, and reading the schedule of the daily emergency drill you are invited to. Before leaving, you will be required to take part in a training session with the main purpose of

getting you acquainted with the route leading to your meeting point. It will be all very simple because our staff stationed in the corridors of the ship will help you reach it, and also because on the back of the door of your cabin you will find a plate showing you the way. Dress considering that the exercise will end outdoors and remember to wear your life jacket. Once you get to your meeting point you will be shown and given the opportunity to familiarize with the procedures to follow in case of an emergency. The safety of Guests and crew has always been the top priority for Costa Cruises. All crew members are in possession of BST certification (Basic Safety Training, carried out at a certified international center), and are also subject to a very intense program of familiarization with the ship and consolidation of their training acquired during familiarization throughout the entire duration of their time on board. Additionally, depending on the different assignments, staff receives other types of special training. For example, members of the firefighter team are regularly sent to training grounds on land, where fire simulations are performed, which are dealt with using techniques and practicing lessons learned from qualified professional Firefighter instructors, both Italian and foreign, who aid us with this type of training.

CATERING AND CULINARY ARTS

Special diets

These may be served if requested and agreed upon at the time of booking. Guests may point out the need to follow specific diets, for hypoglycaemia, gluten-free, or may report other types of allergies/ intolerances. Any special dietary requirements can be handled safely only at the main Restaurant and not at the self-service restaurants. For the efficiency of the service, Guests are kindly asked to reconfirm their needs with the Customer Service Office and with the restaurant managers upon embarkation. If guests bring the products needed for their diet from home, it is necessary to inform the Maître immediately after boarding in order to arrange for meals.

Vegan menus

A rich menu cycle based only on vegan recipes is available to Guests who request it when booking the cruise. In the main restaurants you will be able to choose from a wide range of dishes, from appetizers to desserts, without foregoing flavour and great cuisine. Confirm your choice with the Customer Service Office and with the restaurant managers upon embarkation. In the bars and cafes on board, 15% will be added to the bills for the service.

PAYMENTS ON BOARD

Costa card

You will receive your own Personal Costa Card in your cabin, usable immediately and for the entire cruise for the payment of extra services on board. Every expense will be charged automatically to your cabin account and you will not need to bring cash for your daily expenses. Within 48 hours of boarding, you will need to approve the Costa Card by registering your credit card or ATM (limited to cards issued by the PagoBancomat network) or by making a minimum initial deposit of 150 euro/USD per adult (depending on the currency used on board) in cash or by cheque (see Bank cheques section). The initial amount will have to be integrated during the cruise with additional payments when the extra expenses paid on board exceed the available balance. The Costa Card will be temporarily blocked within 48 hours of embarkation in the event of failed credit card registration (or payment of the deposit) or if you have spent more than 200 euro/USD without having registered the credit card or having paid the cash deposit, during the cruise, when the deposit paid is not enough to cover the expenses already made.

Paying with credit card

Registering your credit card is by far the most convenient, easiest and fastest way to enjoy your holiday. You will be able to do so within 48 hours of embarkation at the automatic devices on the ship or at the Customer Service Office. Daily expenses will be charged to your credit card. At the end of the cruise, you will receive your bill at your cabin. American Express, Visa, Mastercard are valid on board. No debit cards are accepted.

Cash payment

At the end of the cruise you will receive the bill directly at your cabin: in case of cash payment you can pay the bill or get your refund (if owed credit) in a dedicated lounge (shown on the daily schedule) in cash or by cheque. Any refunds will be processed in cash in accordance with applicable Italian regulations, or by bank transfer for any amounts exceeding these legal limits.

On board currency and currency exchange service

The currency valid on board is the euro, with the exception of Caribbean cruises departing from US ports, cruises to South America, Great spring cruises from South America, cruises departing from ports in the Far East where the US dollar is the on-board currency. The Exchange Office at the ship's Customer Service Office changes cash. It is open based on the schedule of the daily program. The Exchange Office does not make cash advances by credit card so we recommend that you bring enough local currency for off-shore stopovers.

Service charge

A fee will be charged to your account on a daily basis covering the on-board hotel services that you actually avail of. The charge will be adjusted daily as well as the other expenses incurred. The set daily amount varies according to destination and on-board currency, based on the following chart:

COSTA DIADEMA	€10/day
COSTA FASCINOSA	€10/day
COSTA FAVOLOSA	€10/day
COSTA DELIZIOSA	€10/day
COSTA LUMINOSA	€10/day
COSTA PACIFICA	€10/day
COSTA MAGICA	€10/day
COSTA MEDITERRANEA	€10/day
COSTA neoCLASSICA	€10/day
COSTA neoRIVIERA	€10/day

The amounts indicated (in the table) refer to the service fees for Guests over 14 years of age. For all cruises, children under the age of 4 do not pay, while children aged 4 to 14 pay 50% of the amounts above.

The amount shown in the table has been set at the time of publication of the catalogue and may be subject to change.

We invite you, therefore, to check the value of service rates at the travel agency, contact centre or at www.costacruise.com.

ADDITIONAL INFORMATION

No smoking

Costa Cruises is working to ensure that the smoke ban is observed on all its ships. Smoking - cigarettes,

cigars and pipes - is not allowed in all public areas of the ship, with the exception of areas designated as "Cigar Lounge". Electronic cigarettes can be used only and exclusively in the cabins and areas designated as "Cigar Lounge".

In outside public areas, smoking is only allowed in the designated areas equipped with an ashtray. It is also noteworthy that smoking is not allowed inside the cabins but exclusively outdoors on private balconies.

In order to avoid the risk of fires, it is very important to always put out and dispose of cigarettes in the appropriate ashtray and never throw them out of the ship while still lit. Also note that there are no public indoor smoking areas for smokers on board Costa Mediterranea, Costa neoClassica, Costa Atlantica and Costa Victoria. For more information on the smoking ban applied to individual ships, please visit www.costacruise.com/faq or call 800.902.902.

Taxes in the USA

When ships are docked in US ports, an extra 20% will be charged for drinks consumed on board.

TELECOMMUNICATIONS

Cellphones

Thanks to the agreement with several trade partners, there is a satellite radio coverage on all fleet ships, that enables the customers of the main mobile providers to send and receive calls and texts and use the data services also while in the open sea. Telephone use must be enabled for international roaming traffic. Rates are set by your provider. If navigation takes place near the coast, your cellphone might connect to a land operator.

Satellite line

It is possible to make calls on board from the cabin, using the satellite phone. It is also possible to receive and send faxes. Contact the Customer Service Office on board for details. For land to ship telephone or telefax communication, the user will have to dial the satellite code followed by the ship's number. To learn about the numbers, we recommend calling 800.902.902 at the cost of a local call from a landline. Info and costs at www.costacruise.com

> General Contractual Conditions of the Holiday Package

Here below the valid general terms and conditions applied:

Since the general contractual conditions are updated from time to time in line with changes in the relevant legislative requirements, we recommend that our Guests read the version applicable at the time of booking as published on our website www.costacruise.com or available at their Travel Agent's.

1. APPLICABLE REGULATIONS

- 1.1 This holiday package sales contract, which includes a cruise, is understood to be regulated both by these general terms and conditions and by any other terms and conditions contained in leaflets, pamphlets and brochures published by the Organizer and other documents provided by the Organizer to Passengers.
- 1.2 This contract is also governed by Italian law in accordance with the mandatory regulations in force concerning consumer protection (Directive no. 90/314/EEC and Legislative Decree no. 206 of September 6, 2005), the Italian State Code of Travel and Tourism Regulations (Legislative Decree no. 79 of May 23, 2011, hereinafter "the Tourism Code") as well as, where applicable, national and international regulations concerning the individual services comprising the holiday package.
- 1.3 In the event that any provision of these general contractual conditions is null and void or ineffective in some way, such invalidity shall not affect the validity and enforceability of the remaining provisions of these general terms and conditions.

2. CLOSURE OF THE CONTRACT

- 2.1 Booking requests shall be made using the specific form (which may be submitted electronically), completed in full and signed by the Passenger.
- 2.2 Holiday packages purchased online are understood, for all legal purposes, to be offered for sale in Italy and the associated contracts are understood to be entered into in Italy.
- 2.3 The acceptance of bookings is subject to availability of places and the booking process is understood to be completed, with consequent closure of the contract, only upon confirmation by the Organizer (which may be given online) and subject to payment of the deposit by the Passenger as per 3.1.
- 2.4 Promotions or offers including particularly favorable conditions different from those published in the brochures are subject to limits in terms of time and availability, according to the criteria established by the Organizer from time to time at its absolute discretion.

- 2.5 Travel Agencies that hold a valid license act as intermediaries pursuant to Art. 33, par. 1b) of the Tourism Code and may issue the Passenger with a copy of the contract only if the booking has already been confirmed by the Organizer, as per 2.3.
- 2.6 In the event of a single booking made for several people listed together, the person making the booking guarantees that they have the necessary power to act on behalf of all the members of the group and, in any event, that all the contractual obligations will be fulfilled by all the people listed in the booking.
- 2.7 Booking requests made by minors will not be accepted. Without prejudice to 2.6, bookings for minors shall be made by their parents or guardians or by other adults having the necessary power. Such bookings will be accepted only if the minor is travelling with at least one parent or with their legal guardian or another adult with a legal claim to the child.
- 2.8 Due to cruise ships' lack of facilities and the risk of premature labor, passengers are not permitted to travel if they will have entered the 24th week of their pregnancy by the beginning of, or at any time during the cruise. At the time of boarding, all pregnant women are required to produce a medical certificate from a specialized doctor, stating that mother and baby are in good health and fit to travel. The letter must also include the estimated date of delivery (EDD). Costa Cruises cannot be held responsible or liable for any complications relating to pregnancy at any stage and arising during or after the entire cruise vacation.
- 2.9 The minimum age to sail is 6 months at the time of boarding. However, on transatlantic cruises and cruises of 15 days or more, the minimum age to cruise is 12 months.
- 2.10 Costa's ships offer a limited number of cabins for Guests with disabilities, but not all public areas or facilities on board have accessible features. Booking requests for Passengers with disabilities will therefore be granted subject to availability of these specially designed cabins and, where necessary, to the condition that the disabled Passenger is accompanied by another person capable of providing the assistance required by the former as per Regulation EU no. 1177/2010.
- 2.11 Any Passenger with a physical or mental condition, a disability or other needs requiring medical attention or special care during the voyage is required to notify the Organizer at the time of closure of the contract. No booking

request will be granted for a Passenger whose physical or mental condition is such that their participation in the cruise would be impossible or dangerous for themselves or for others or who require special care or assistance that is not obtainable during the cruise on board the ship.

- 2.12 Information about the cruise that is not contained in the contractual documentation, in leaflets, on the Costa Cruises website or in other media shall be supplied to the Passenger by the Organizer in compliance with the provisions of the Tourism Code, in sufficient time prior to the beginning of the vacation.
- 2.13 The Organizer reserves the right not to apply these general conditions in relation to particular categories of contract (for example groups or incentive cruises) and promotional offers as per 2.4 above, for which the terms and conditions specifically indicated from time to time shall be considered valid. The assignment of a higher cabin category than the one purchased and guaranteed and/or on the basis of any commercial promotions shall not entitle the Passenger to benefit from the privileges and rights associated with that cabin category. Cabins of the same or a higher level as the one assigned in accordance with the above may not have a double bed and/or may be equipped for Guests with disabilities.
- 2.14 Prior to the closure of the contract, the Passenger is obliged to obtain sufficient detailed information regarding the health and safety conditions at the ports of call on the itinerary: the closure of the contract implies the Passenger's awareness of such conditions and their acceptance of the associated possible risk factors.

3. PAYMENT

- 3.1 When the contract is entered into, the Passenger shall pay a deposit of no less than 25% of the price, and the balance shall be paid at least 60 days before departure.
 - 3.1.1 If the contract is entered into less than 60 days before departure, the whole amount shall be paid at the time of closure in a single transaction.
- 3.2 Non-payment of the balance due by the deadlines stated above shall constitute a breach of contract giving rise to the right to terminate the agreement pursuant to Art. 1456 of the Civil Code, subject to payment of compensation for any further damages sustained by the Organizer.

3.3 The cruise ticket, which is a legal document permitting access on board the vessel, shall be delivered to the Passenger after payment of the full price and shall contain the following information:

- Date and place of birth of each Customer
- Number, date and place of issue, expiry date of the Passenger's passport or identity card, in accordance with the regulations in force.

3.5 For direct purchases (made via the Costa Cruises website www.costacruise.com), Passengers may choose one of the following methods of payment: i) bank transfer, ii) credit card, in accordance with the terms and conditions specified below. If the Passenger chooses to pay by credit card, the card will be used for direct debiting of the balance and any penalties due to cancellation as per 6.4 by the dates indicated in the booking. A Passenger may ask for automatic direct debit payments to be cancelled at the time of booking, or at a later date.

3.6 If the contract is entered into by telephone at least 8 days before departure, payment may also be made by bank transfer. For contracts finalized thereafter and up to 2 days before departure and for contracts with payment in installments as per 3.1.1, payment may only be made by credit card.

3.7 If the contract is entered into on the Costa Cruises website less than 30 days before departure, full payment shall be made and only by credit card.

3.8 In any case, all payments shall be made by the Passenger in accordance with any specific instructions given by the Organizer in accordance with the provisions of this Article 3.

3.9 All payment terms are mandatory and if the above-mentioned balance is not paid and/or if the due amounts are not received by the Organizer by the foregoing deadlines, this shall constitute a breach of contract giving rise to the right to terminate the agreement pursuant to Art. 1456 of the Civil Code, subject to payment of compensation for any further damages incurred by the Organizer.

4. PRICES

4.1 The prices (Basic, Comfort and Deluxe Rates) are all-inclusive to the extent indicated in the brochure, on the website www.costacruise.com, in the quote and/or booking request and in the contract form signed by the Passenger. Prices do not include the service charge described in the "Useful Information"

section of the brochure and the website. This charge is mentioned specifically in the note under the price of the cruise, both on the website and in the brochure. The service charge will be debited at the end of the cruise on the basis of the actual number of days spent on board.

Passengers will also be asked to pay the following sums: (i) €100 in the case of a name change as per Art. 7 below; (ii) €100 in the case of cancellation at least 60 days before departure Comfort Rates, 25% of the price of the package in the case of cancellation at least 60 days before departure for the Basic Rate, as stated in 6.4 below.

4.2 For each cruise there will be a limited number of cabins available for sale at the prices stated in the brochure.

4.3 In accordance with Art. 40 of the Tourism Code, the prices may be changed up to 20 days prior to the scheduled departure date as a result of increases – compared to the prices in effect at the time of publication of the cruise program – (i) in the cost of air fares, (ii) in the cost of ship fuel, and (iii) in the duties and taxes on services included in the holiday package, such as embarkation, disembarkation or landing fees at ports or airports. The increase shall apply to all passengers for all departure dates for the cruise in question. The online brochure is available on the homepage of the website www.costacruise.com.

4.4 The prices are understood to be per person. However, in the event of unused tickets or cancellations resulting in a Passenger being the sole occupant of a cabin, a supplement shall be payable on that cabin.

5. CHANGES TO THE VOYAGE

5.1 In accordance with Art. 4.1 of the Tourism Code, if it is necessary to make one or more significant changes to the voyage, the Organizer shall inform Passengers in writing, notifying them of the type of change and consequent price variation.

5.2 Any Passenger who does not accept the proposed change(s) referred to in 5.1 may cancel the cruise, without paying any penalty, and the provisions of 6.1 shall apply.

5.3 Passengers shall inform the Organizer (via the Travel Agency if they prefer) of their decision to cancel within two working days of the date on which they learned of the change, failing which such change shall be understood to have been accepted.

5.4 If, subsequent to the departure date, the Organizer cannot supply an essential part of the services guaranteed in the contract, they will propose appropriate alternative arrangements to continue the voyage as

scheduled in a manner that is compatible with the technical and safety requirements of operations, without any price increase for the Passenger, or the latter shall be reimbursed for the difference between the original services envisaged and those provided, subject to payment of compensation for any further damages sustained by the Passenger.

5.5 In the event that it is not possible to provide alternative arrangements, or the Passenger rejects the arrangements for good reason, the Organizer shall provide an equivalent means of transport to take the Passenger to their departure point or to a different place agreed on, and refund the difference between the cost of the original services envisaged and those effectively provided until the Passenger's early return.

5.6 Pursuant to Art. 40 of the Tourism Code, the Organizer may review the flat-rate sales price of the holiday package.

5.7 However, the reviewed price shall not be more than 10% higher than the original price.

5.8 If the price increase is greater than 10%, the Passenger may cancel the voyage and shall be reimbursed for any amounts already paid to the opposite party.

5.9 In any event there shall be no price increase in the twenty days prior to departure.

6. CANCELLATION BY THE PASSENGER

6.1 In accordance with Art. 42 of the Tourism Code, a Passenger may withdraw from the contract, at no additional cost, only in the cases and subject to the terms in Art. 5, as well as in the event of the holiday package being cancelled before departure for any reason, unless this is due to the fault of the Passenger. A Passenger who exercises their right to withdraw shall have the right to an alternative holiday package of equivalent or higher value at no additional cost, or to a holiday package of lower value with reimbursement of the difference; otherwise, they shall be reimbursed for any amounts already paid within seven working days of the date of withdrawal or cancellation.

6.2 In the cases mentioned in the previous paragraph, the Passenger shall have the right to compensation for any further damages due to non-performance of the contract.

6.3 Paragraph 6.2 does not apply if the holiday package is cancelled due to lack of the minimum number of participants required, where applicable, and the Passenger is informed in writing at least twenty days before the scheduled departure date, or due to force majeure, excluding overbooking.

6.4 A Passenger who withdraws from the contract for reasons other than those specified in the previous paragraph will be charged the following amounts as a percentage of the price of the package:

6.5 In the event of cancellation covered by an insurance policy, the Organizer shall be notified of this at the same time as the claim is submitted to the insurer. Any difference between the amounts due from the passenger under the terms of 6.4 above and the sums paid by the insurance company shall be payable by the Passenger.

6.6 In the event of failure to use the air transportation purchased with the cruise, the penalties and other relevant terms of the general contractual conditions of the air carrier and/or air transport contract shall apply.

6.7 For bookings made via the website (www.costacruise.com), in accordance with Art. 32 of the Tourism Code, the right to withdraw from the contract is explicitly excluded.

7. NAME CHANGES

7.1 A Passenger who is unable to go on the cruise may add a new Guest on the booking provided that:

- the Passenger notifies the Organizer in writing of the details of the name change at least 4 working days before the date of departure;
- there is no reason relating to passports, visas, health certificates, hotel accommodation, transport services or any other factor which would prevent the new Guest from taking the cruise on the same terms as the original Passenger;
- the new Guest pays the Organizer the amount referred to in 7.2 below and, if the package includes an air fare, any service fees charged by the airline for name changes.

7.2 In any case the Passenger shall pay a €100 per person service fee charged per name change. The original Passenger shall also

be jointly liable with the new Guest for payment of the balance of the price, and also for payment of any amounts referred to in 7.1 (c) above.

7.3 The cruise ticket is transferable only in the event of a name change done in accordance with the previous paragraphs.

7.4 The right to do a name change as per the previous paragraphs is subject to the exclusions and restrictions laid down in binding regulations, in particular regarding security, which are applicable to the individual services making up the holiday package.

7.5 The Organizer shall regard a request for a name change for reasons other than the Passenger being unable to use the holiday package or a request submitted after the deadline in 7.1 as a full cancellation and a new booking shall be required for the new Guest. In such case the original Passenger shall be liable for payment of the charges set out in 6.4 above and the new Guest shall be liable for payment of the full amount of the holiday package.

8. CANCELLATION BY THE ORGANIZER

8.1 If, before departure, the Organizer notifies the Passenger of cancellation of the package referred to in this contract, irrespective of the reason unless it is due to the fault of the Passenger, the Organizer shall, if possible, offer the Passenger a replacement package. The Passenger shall have the right to choose either to accept this replacement package or to receive a refund as set out in the paragraphs below. The replacement package offered by the Organizer shall be of at least equivalent value to the one cancelled; if the Organizer is unable to offer a replacement package of equivalent or greater value, the Passenger shall have the right to be reimbursed for the difference.

8.2 If the Organizer cancels the holiday package, pursuant to Art. 33 e) of Legislative Decree no. 206/2005, they shall reimburse the Passenger by paying the latter double the amount paid and effectively collected, except in the case of force majeure, fortuitous events, lack of the minimum number of participants required or refusal by the Passenger to accept the alternative package offered by the Organizer. In any case the refund shall never exceed twice the amount that the Passenger would have owed on the same date, as per Art. 6.4. Therefore, in the event of cancellation of the holiday package 45 to 59 days prior to the departure date, the Organizer shall only be required to refund the amount, if any, paid by the Passenger and actually collected by the Organizer.

8.3 In the aforementioned cases of force majeure, fortuitous events, lack of the minimum number of participants required (subject to notification by the Organizer no later than 20 days prior to the departure date) or refusal by the Passenger to accept the alternative package offered by the Organizer, the Passenger shall only have the right to be reimbursed for the amount actually paid, within 7 working days from the date of cancellation.

9. PASSENGERS' RESPONSIBILITIES

9.1 The Passenger shall have their own individual passport or other proper travel documentation, depending on their nationality, for all the countries included in the itinerary, as well as any holiday and transit visas and health certificates that may be required. The relevant information in the brochures refers (unless otherwise stated) to Passengers whose citizenship is that of the country in which the brochure is published.

9.2 Passengers' behavior shall not affect the safety, comfort, wellbeing or enjoyment of other Passengers. Passengers shall act prudently, follow all instructions issued by the Organizer and comply with any administrative or statutory regulations that apply to the voyage.

9.3 The Passenger shall not bring merchandise, live animals, weapons, ammunition, explosives or inflammable, toxic or dangerous substances on board the ship without the Organizer's written consent. It is also forbidden to bring on board and/or use in the cabin any electrical appliances, including but not limited to irons, water heaters, kettles, electric cookers, hair dryers and heaters.

9.4 The Passenger shall be liable for any damages incurred by the Organizer due to non-compliance with the aforementioned obligations. In particular, the Passenger shall be liable for any damages caused to the ship, its furnishings and equipment, for loss or damage caused to other

Passengers and third parties, as well as all for any fines, penalties and expenses imposed on the Organizer due to the Passenger's actions, by port authorities, customs officers, health authorities or other officials of any country included in the cruise.

9.5 The Passenger shall provide the Organizer with all documents, information and details that the latter may require to exercise their right of subrogation for the Passenger vis-à-vis third parties who may be held liable for any loss or damage sustained by the Passenger, and the latter shall be liable to the Organizer for any prejudice to the subrogation right caused by failure to comply with this clause.

9.6 The Passenger shall provide the Organizer with all the information necessary to enable compliance with security requirements, and in particular those laid down in Council Directive 98/41/EC and the Italian Ministerial Decree of 10.13.1999. The collection and processing of data (including images) shall be carried out in compliance with the principles established by Directive 95/46/EC and Legislative Decree no. 196 of June 30, 2003.

9.7 The Passenger shall attend safety briefings and emergency drills that the Organizer arranges on board the ship. If this requirement is not met, the Master, pursuant to Art. 186 of the Italian Maritime Law and in accordance with 10.2 below, may take all appropriate measures including disciplinary disembarkation of the Passenger concerned.

10. POWERS OF THE MASTER

10.1 The Master of the ship has the right to retain the charge and the conn without a pilot, to tow and assist other vessels under any circumstances, to deviate from the scheduled route, to enter any port (whether or not it is on the ship's itinerary) and to transfer a Passenger and their luggage onto another vessel to proceed on the voyage.

10.2 The Passenger is subject to the disciplinary authority of the Master of the ship as far as vessel and navigational safety are concerned. In particular, the Passenger shall comply with all instructions and orders issued on board, including those relating to safety briefings and emergency drills as per 9.7 above. If, in the sole opinion of the Master, a Passenger is unfit to begin or proceed on the cruise or their physical or mental condition constitutes a risk to the vessel or to the health and safety of any other Guest or crew member, or their behavior is such that it may affect the enjoyment of other Passengers, the Master has the right, depending on the case in question,

a) to refuse passage,

b) to order the disembarkation of the Passenger at any port,

c) to refuse to allow the Passenger to disembark at a particular port,

d) to confine the Passenger to a certain area of the ship or to refuse to allow them to take part in certain activities on board.

Similar measures may be taken independently by air carriers or other service providers, in accordance with the disciplinary authority they are granted by law or by contract; in this regard the Organizer shall bear no liability in relation to these air carriers or service providers.

10.3 The Organizer and the Master of the ship shall have the liberty to comply with any orders or directions whatsoever issued by the Government or authorities of any nation or by any person acting or purporting to act on behalf of or with the authority of such Government or authorities or by any person having under the terms of the War Risks Insurance on the ship the right to issue such orders or directions. If by reason of, and in compliance with any such orders or directions anything is done or is not done, the same shall not be deemed a deviation or a breach of contract. Disembarkation of any Passengers or discharge of baggage, in accordance with such orders or directions shall constitute due and proper fulfillment of the obligation under the contract, releasing the Organizer from any liability for the continuation of the voyage or the repatriation of the Passengers.

11. SECURITY AND LIENS

The Organizer has the right to retain the Passenger's luggage or other items of their property as credit for the payment of any amounts owed by the Passenger for goods and services purchased on board.

12. ACCOMMODATION ON BOARD OR IN HOTELS

12.1 The Organizer has the right to assign the Passenger a different cabin from the one reserved, as long as it is of the same category or higher.

12.2 If included in the package and in the absence of official standards, hotel accommodation abroad shall be rated using roughly the equivalent of the classification system in force in Italy.

13. ORGANIZER'S RESPONSIBILITIES

13.1 The Organizer shall be liable for damages incurred by Passengers due to total or partial non-fulfillment of the contractual services, whether they are supplied by the Organizer personally, or by third party service providers. The Organizer shall not be held liable when

the damages are caused by the Passenger (including acts performed independently by the Passenger during the delivery of tourist services), by a third party who is not a contractual service provider, by fortuitous events, by force majeure, or by circumstances that the Organizer, acting with due diligence, could not have reasonably anticipated or avoided.

13.2 All exemptions, limitations of liability, disclaimers and exceptions that may be cited by the Organizer by virtue of this contract shall also be extended to apply to any persons who are, or who are considered to be, the Organizer's employees, representatives, associates, agents, subcontractors or assistants acting in any capacity, as well as the Organizer's insurers.

13.3 The Organizer shall bear no liability in relation to the Passenger for any non-compliance by the Travel Agent or other intermediaries involved in the closure of the contract, as far as concerns the obligations of such third parties.

13.4 If the Organizer has paid sums by way of refunds or compensation to the Passenger, the Organizer is subrogated to the rights and actions of the Passenger vis-à-vis third parties bearing liability.

14. LIMITATION OF LIABILITY

14.1 In no case shall the compensation payable by the Organizer be greater than the limits of liability prescribed by Commission Regulation (EC) no. 329/2009 and, where applicable, by national and international laws in force regarding non-performance of the service concerned.

14.2 If the Organizer is also the shipping company and/or owner and/or carrier and/or charterer of the ship used for the cruise, the current laws concerning limitation of liability or the applicable provisions of Commission Regulation (EC) no. 392/2009 and subsequent amendments shall still apply.

15. EXCURSIONS

15.1 Excursions are subject to the contractual terms and conditions of the local operator providing the services and to any applicable national law.

15.2 The prices and itineraries of any shore excursions published in the brochure are approximate only and are subject to variation. The times and itineraries of the tours may be subject to change as a result both of external circumstances (for example, weather conditions, strikes, transport delays etc.) and of the operational requirements of the tour operators.

15.3 In the event of cancellation of an excursion due to technical issues or force

majeure or failure to obtain the minimum number of participants, Costa Cruises shall reimburse the Passengers concerned.

- 15.4 Unless otherwise stated, shore excursions are not specifically designed for physically challenged Guests. Nevertheless, if requested, Costa can recommend tours that are designated as easy. Excursions suitable for Passengers with slight mobility problems are marked as such with a special symbol. Therefore, prior to purchasing a shore tour, the Organizer recommends that Guests obtain as much information as possible on the Internet, in the brochure or by contacting the toll-free number, to find out whether or not the excursions that they are interested in are suitable for non-ambulatory Passengers.
- 15.5 For certain types of excursion, due to their characteristics (for example the use of vehicles driven by the Passengers), special conditions, requirements or regulations may apply.

16. AIR TRANSPORT

- 16.1 Upon issuance by the carrier of the air travel ticket or airline ticket in the name of the Passenger and upon acceptance of the same by the Passenger, an air travel contract is entered into by the Passenger and the air carrier issuing the ticket.
- 16.2 Costa Cruises does not act in any capacity as an air carrier with respect to any type of air transport. Air transportation is undertaken exclusively by the specified air carrier (and/or their appointed representatives) with all the associated risks and responsibilities; therefore, Costa Cruises shall not be responsible for any loss or damages which may be incurred due to acts or omissions on the part of any direct or supplemental air carrier. The Passenger's rights as per the air transport contract and the laws applicable to it (the Montreal Convention of 5/28/1999, Regulation (EC) No. 889/2002 and national laws), including in particular the Passenger's right to compensation for death or injury, shall therefore be intended to mean the Passenger's right to seek reimbursement or compensation from the operating air carrier. The obligations as per Regulation (EC) No. 785/2004 are the exclusive responsibility of the air carrier.
- 16.3 If it is not enclosed with the documentation supplied by Costa Cruises to the Passenger, a valid air travel ticket shall be requested directly by the Passenger from the carrier, who shall ensure that it is issued and – until the date of issue – make arrangements for the safekeeping of the same at its premises for logistical reasons and guarantee compliance of the ticket with

the applicable regulations. The carrier shall also guarantee that the ticket is immediately and unconditionally issued at its own expense to the Passenger, all of the above arrangements having also been guaranteed to Costa Cruises.

- 16.4 The obligations under Regulation (EC) No. 261/2004 are the exclusive responsibility of the operating air carrier, as defined in the foregoing Regulation and no responsibility shall be accepted in this regard by Costa Cruises, either in its capacity as the Organizer or otherwise. Accordingly, any claims lodged by Passengers under the provisions of Regulation (EC) No. 261/2004 shall be submitted directly to the operating air carrier. In exercising their rights vis-à-vis the air carrier as laid down in the aforementioned Regulation, Passengers shall abide by the criteria whereby everything should be done as far as possible to safeguard the holiday package as a whole and so as not to prejudice the rights of the Organizer under this contract and the applicable regulations.
- 16.5 In the travel documentation sent to Passengers, Costa Cruises shall include details of their flight arrangements. The inclusion of flight details in the documentation supplied by Costa Cruises to Passengers, together with warnings or information about air transport and the associated legal and contractual regulations applicable, is for information purposes only. Passengers shall be given information about airlines, flight numbers, schedules and airports at least 3 months before departure. However, if a booking is made less than 3 months prior to departure, Passengers shall be provided with the abovementioned information within 3 working days of making the booking.
- 16.6 The use of hard copy material, trademarks, logos or any other element identifying Costa Cruises in the documentation as per 16.5 above is for printing purposes only and shall not be construed as an amendment or a correction or as having any bearing whatsoever on the other provisions of this Article.
- 16.7 The general terms and conditions of the air carrier and/or the contract of carriage shall apply in the event of the Passenger's withdrawal and/or failure to use the air carrier.

17. SHIP'S DOCTOR

- 17.1 Should a Guest require medical attention while aboard one of our vessels, the ship's doctor is available to render services at a customary fee.
- 17.2 The opinion of the ship's doctor as to whether a Guest is fit to embark and/or to proceed on the cruise is final and binding on the Passenger concerned.

18. STORAGE OF VALUABLES

For the Passenger's convenience and security, a safe is provided on board the ship; the Organizer shall not accept any responsibility for cash, documents, securities, jewelry or other valuables that are not kept in the safe.

19. OBLIGATION TO PROVIDE ASSISTANCE

The Organizer's obligation to provide assistance to the Passenger is limited to the proper execution of the services under the contract and its other legal obligations.

20. COMPLAINTS AND CLAIMS

In accordance with Art. 49 of the Tourism Code, any claims to the Organizer regarding possible non-compliance in the organization or execution of the cruise shall be submitted by Passengers in writing no later than 2 months after the cruise return date.

21. INSURANCE COVER FOR MEDICAL ASSISTANCE AND LUGGAGE

- 21.1 When signing the booking form, Passengers may take out the insurance policy offered at the time, by paying the associated premium.
- 21.2 The insurance cover is a contract between the Passenger and the insurance company and all the obligations and responsibilities arising under the provisions of the insurance policy are the exclusive responsibility of the Passenger.

Purposes of data processing

Your data will be handled manually or electronically, in any case using the most advanced security measures to guarantee privacy and confidentiality, for the following purposes:

- a) to finalize, manage and execute the contractual relations between you and Costa Cruises;
- b) to fulfill any specific obligations laid down by laws, regulations, domestic or EU legislation as well as obligations arising from measures issued by competent judicial authorities;
- c) to process statistics and conduct market research while rendering the data anonymous;
- d) to implement initiatives intended to make your voyage comfortable and guarantee high standards of entertainment (e.g. parties, shooting of photos and videos,

games etc.) on board the ships. With regard to photographic, video and other visual portrayals of the Guests made by professional onboard photographers on our ships, who help make your cruise experience unforgettable, we would like to remind you that should you wish not to be photographed or filmed or appear in the photos on the Photo Shop display board, you may call at the Photo Shop, which will take note of your request not to be included. Photos in which you appear will only be removed if you make a specific request to this effect;

- e) to conduct promotional activities for Costa Cruises, Group companies in Italy and abroad, and/or Costa's commercial partners, including by automated means (email, text message, etc.) for which your express consent will be necessary, when required by law. In particular, Costa Cruises may use the email address you provided when purchasing the holiday package to send information and promotional offers relating to similar services and products marketed by Costa Cruises, also without your consent, unless you object to this. Costa Cruises informs you that you can stop these commercial electronic messages at any time by clicking the unsubscribe link at the bottom of the email that you have received or by sending a request to the addresses below;
- f) with your explicit consent, to carry out profiling using electronic means so as to analyze buying behavior and consumer habits and conduct market research, with the aim of improving the services and commercial information provided by Costa Cruises, tailoring them to better suit your interests. This data is processed in accordance with the guarantees and measures required by the Italian Information Commissioner ("the Commissioner"), as described in more detail in the section below.

Profiling

As mentioned above, the personal data provided when purchasing the holiday package (e.g. name, address etc.) and data acquired by Costa Cruises during the cruise (e.g. purchases made) may be used, with your explicit consent, to carry out profiling to improve the services and commercial information provided by Costa Cruises, tailoring them to better suit your interests. This information will only be entered into the profiling database subject to your express consent. We would like to point out that some information that could be used for profiling purposes will, in any case, be entered into a separate database, should such data be required in order to provide a requested service.

If you consent to having your data processed for profiling, the data collected for this purpose will be managed by Costa Cruises

employees specifically appointed to process the data pursuant to the Data Protection Code. In accordance with the guarantees and measures required by the Commissioner, data collected and processed for profiling purposes shall be stored for a maximum period of ten (10) years, after which it shall be automatically deleted or rendered permanently anonymous. We wish to inform you that you may also exercise your rights regarding profiling in accordance with Art. 7 of the Data Protection Code, as described in more detail below.

Data dissemination

Your data may be disclosed, solely for the above purposes, to parties belonging to one of the following categories:

- parties whose right to access the data is authorized by judgments and other decisions or injunctions issued by judicial authorities, including the port authorities in the places of disembarkation.

The data may also be disclosed to persons instructed to perform specific processing operations by Costa Cruises; these may be Costa employees, acting as data processing managers and/or data processors, and external parties, acting as data processors or data controllers. The data may be transferred abroad, to third parties in countries within or outside the EU, for the purposes stated above. Provision of data is required for the performance of the contract.

Sensitive data

The information you supply may also contain data defined as "sensitive" by the Data Protection Code. Any such data may only be processed with your written consent; failure to provide such data may prevent Costa Cruises from fulfilling its contractual obligations. In particular data regarding your health and medical condition shall be processed, with your explicit consent, for health and safety purposes, where necessary for the provision of health care services, and for purposes connected with the fulfillment of any specific obligations laid down by laws, regulations, domestic or EU legislation as well as obligations arising from measures issued by competent judicial authorities.

Consequences of failure to provide data and consent

You are not obliged to provide your personal data; however, if data marked "mandatory" is not provided, we may not be able to supply a service or part of a service requested and you will be unable to use that service. Data not marked "mandatory" that you provide voluntarily, with your consent, will allow Costa Cruises to improve the services it offers and tailor them to better match the interests of its

passengers. If you do not consent to use of your data for marketing, market research and profiling purposes and for analysis of your buying behavior, this will not affect the delivery of the service you have requested but it will prevent Costa Cruises, Group companies and commercial partners from providing you with commercial services and information that better suit your interests.

Data Controller and Data Processors

The data controller is Costa Crociere S.p.A., headquartered in Piazza Piccapietra 48, Genoa (Italy). For the requested service to be performed correctly, personal data may be disclosed to Costa Cruises' employees, acting as data processing managers and/or data processors, as well as to third party companies, or Costa's affiliates, including branches in Italy and abroad, who are service providers and act in their capacity as independent data controllers or data processors, carrying out functions strictly connected with and necessary for provision of those services.
