THE AMARCORD ATRIUM

WELCOME ON BOARD COSTA FASCINOSA

Stars in a great masterpiece

A grand stage, where the spectacle that is a Costa cruise plays out every day – Costa Fascinosa takes inspiration from the masterworks of stage and silver screen, from the worlds of glittering dreams. And guests on this sublime ship become stars in their own dreams, relishing all the exhilarating on-board attractions. Like the restaurants with exclusive menus decked out in great style, the open-air pools for sun-drenched relaxation, and the romantic aperitifs under the stars. At day's end, a cabin or suite awaits with all the comforts you could desire, like a film idol's dressing room. The wonders of Costa Fascinosa begin in the Amarcord Atrium, with the panoramic lifts offering a view down on this imposing architectural overture that sparkles like a diamond.

THE VIA COL VENTO (GONE WITH THE WIND) POOL

Welcome aboard Costa Fascinosa, where the decks – Marlene, Aida, Tancredi, Zivago – bear the names of big stars and immortal characters and, like them, are the stuff of dreams. From deck to deck, guests can choose between a fun dip in the pools and at the **Aqua Park** or toning up in the gym and on the jogging track, between the thrills and spills of the **Gran Prix Simulator** and a stroll around the **Shopping gallery**. Costa Fascinosa's elegant and sophisticated furnishings and décor are made from the most prized, refined materials, to welcome guests in their cabins and suites in an ambience of unbridled luxury relaxation.

Art and beauty take centre stage.

The theme of fascination and allure, intrinsic flavours of a sea voyage amid so much beauty, pervades Costa Fascinosa through its fine art and design. The architects and artists Casagrande & Recalcati have created an original concept for the ship, inspired by “that something extra” that makes a moment magical. It is a canvas embellished by great freedom of artistic expression – you can admire paintings with Titti Garelli’s gothic queens and Francesco Merletti’s stereotyped divas, marvel at Eloisa Gobbo’s digital creations based on scenes from “La dolce vita”, and savour Luisa Valentini’s airy steel sculptures. And there are plenty more on board. It is a thread that links 329 original works and nearly 7,000 reproductions in a remarkable trail of spellbinding visions.
