ATRIO RIVIERA

WELCOME ON BOARD THE COSTA neoRIVIERA

a ship that's small in size and big on class

A cozy ambience, superior materials, a taste for timeless classic style: a cruise on the Costa neoRiviera is a pleasure for all the senses. This ship joined the Costa fleet in 2013. As soon as they step on board, in the **Atrio Riviera**, Guests are embraced by the classy atmosphere and reception typical of a luxury hotel; the atrium is soberly and elegantly decorated, the end result being enhanced by the natural light filtering in through the glass walls. The smaller size of Costa neoRiviera means she can visit smaller ports; for this reason she was chosen for the Costa neoCollection, offering Costa's most exclusive cruises. Cruising on the Costa neoRiviera means traveling in style at a leisurely pace and feeling truly pampered.

High tea or a tasty brunch? The journey for your taste buds never stops on the Costa neoRiviera. Guests can enjoy gourmet menus devised by the *Università delle Scienze Gastronomiche* in Pollenzo and wines recommended by the Association of Italian Sommeliers, in the exclusive setting of the shipboard restaurants, where they can dine in total freedom, without having to worry about choice of sitting time. On the **Lido Via dell'Amore** there's an open-air spa pool with attractive bars where you can sip on a pre-dinner drink or a cocktail under the stars, surrounded by the wonders of the sea.

A COSTA *neo*COLLECTION
CRUISE
IS MUCH MORE
THAN A CRUISE.

Costa neoRiviera, dedicated to **neoCollection** cruises, is ideal for those seeking a different way to travel. A ship on a human scale, she can reach the ports others cannot. With her welcoming atmosphere, exceptional amenities, and an even more thoughtful, attentive service, she is a proper luxury hotel on the waves, where guests have more opportunities to enjoy the company of their fellow travellers in light-hearted, relaxing moments throughout the voyage.

“Slow” cruising

Long stop-offs and overnight stays in port offer a relaxing way to experience every place we visit, even by night.

Brand-new destinations

Charming places of great cultural and natural interest out of larger ships' reach.

Shore experience

Lots of shore excursions for culture and nature lovers, including some excursions designed for small groups of not more than 25 people.

Concierge

An on-board concierge will make every moment of your voyage unique, with ideas and tips just for you.

Dine when you please

Guests can have dinner in the restaurant or buffet at a time of their own choosing.

Genuine dining pleasure

Gourmet menus with regional recipes specially created with the University of Gastronomic Sciences in Pollenzo, Piedmont, to accompany selected wines by the glass.

STARS OF A GREAT SHOW

Stylish Entertainment

Every evening on the Costa neoRiviera is showtime in the high energy split-level **Ravello Theatre**, where the splendid shipboard productions are staged under the star vault consisting of a myriad of lights. Guests who want to dance to the rhythm of the latest hits will love the **Disco Club Portofino**: the lighting effects on the dance floor merge with the spectacle of the sea on show through the large glass walls. If you're after something different for a change and a thrill, how about the appeal of the slot machines and the roulette table in **Casino Sainte Maxime**?
