MS FRANCE

Partially renovated in 2016, the ship takes on a sparkling and vintage look with its anise and chocolate colors. The houndstooth-type patterns recall the elegant outfits of ladies from the sixties.

The cabins display retro photographs representing Parisian monuments.

The common areas are located on the upper deck and the cabins are spread over two decks and have large windows.

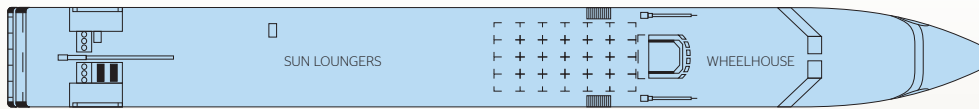

Do not hesitate to go to the sun deck to relax! It is furnished with armchairs and sun loungers to allow you to relax while enjoying a panoramic view of the landscapes.
