Premium ship • 48 cabins • Loire

SHIP CODE: LOI_NV

MS LOIRE PRINCESSE

The design of this ship is exclusive to CroisiEurope since it is the first French ship to sail on the Loire, the last "wild river" in France.

Built in 2015 in Saint-Nazaire, its specificity lies in its side paddle wheels and shallow-draft.

The noble burgundy and pearly colors mingle with copper elements, which give a prestigious character to the interior decoration. A "royal" atmosphere to discover the Loire châteaux from the water. A nod to the famous "inexplosibles" that once crisscrossed the Loire: a large fireplace is located in the middle of the lounge.

RECEPTION

The welcoming public spaces have large window areas and the cabins on the upper deck have terraces with outdoor furniture.

All meals during the cruise are served in the restaurant on the main deck. Onboard fun, music and dancing happen in the lounge/bar on the upper deck, where a cozy patio also provides great landscape views.

The sun deck has deck chairs and sun loungers ideal for relaxing. In the reception area you can admire the mechanism of the paddle wheels during navigation.
