- Commercial register and commercial circular must be in Arabic and translated to English.
- All papers should be photocopied before remitting them to us.
- All documents should be ready for presentation to embassies 25 days before departure. **Embassies deliver them back only 24 hours before departure.**
- All documents must be presented to us in order to prepare the file for its presentation to the embassies even if visa has to be presented in person. Again we insist that all documents be photocopied before remitting them to us.
- If you are a Lebanese residing outside Lebanon (Gulf, M.E., Africa, etc...) you should apply for your visa in your country of residence. We will provide you with the documents required by embassies.
