Delightful **art** on Deliziosa.

Welcoming Guests in the **delle Delizie Atrium** is a very famous and extraordinary work of art: the bright and complex Sfera by Arnaldo Pomodoro. The ship takes Guests on an artistic and philosophical exploration of the world of pleasure and eternal femininity, using various means and languages, thanks to the skill of famous and up-and-coming artists like Alberto Nodolini, Mario Donizetti, Casagrande&Recalcati (the curators of the ship's artistic project) and Carla Tolomeo. The works adorning Costa Deliziosa's interiors give those who admire them the chance to take an enigmatic and fascinating journey: there are no less than 340 original pieces on board and 4,756 reproductions.
