Welcome on board Costa Mediterranea

The beauty of Italy and its palaces at sea

The warmest of welcomes awaits Guests on board exclusive Costa Mediterranea which emulates the innate elegance of the buildings and noble art of Italy. Every detail has been meticulously thought out and the ship is a skilful blend of splendidly sumptuous furnishings and modern services, offering its guests a unique experience. The **Ischia Spa**, four outdoor pools, and three restaurants with constantly changing menus to choose from are just some of the delights that await guests on board for a truly special holiday.

The **Maschera d'Argento Atrium**, with images and sculptures overhead that rise up to the skylight, is the perfect introduction to this spectacular ship.

COSTA MEDITERRANEA

Costa Mediterranea tells the story of the great civilisations that have lived on the shores of the Mediterranean, including the charm of Ancient Egypt and the mythology of Greece, but most of all the beauty of Italy. Renaissance and Baroque style furnishings adorn the interior, sprinkled with the art that has made Italy great, while the twelve outdoor decks are dedicated to characters from legends and history, and are the perfect place to appreciate the warmth of the sun and the magic of the stars.

An exclusive **art** gallery on the waves.

Every corner of Costa Mediterranea's interior is adorned with a large number of reproductions and originals by contemporary artists. Gigi Rigamonti's sculpture in the main lobby, the **Maschera d'Argento Atrium**, is a magnificent tribute to the Commedia dell'Arte and Italian dance, with figures that head up towards the light of the clear roof. There are also sculptures, paintings, artistic photographs, illustrations and a splendid collection of ancient Chinese earthenware (206 BC -1644 AD) creating a beautiful contrast between the art of today and yesteryear.
