Excursions of your cruise

Day 2 - Friday ST LUCIA / ISLAND TOUR (1/2 day - afternoon)*	You'll discover the island's colonial past when we stop at St Mark's House in Castries. You'll have some amazing views of the island's lush vegetation as we drive along the Caribbean coast. We'll visit a former plantation, Morne Coubaril Estate, a gift from Louis XIV to the Deveaux family. To the present day the family's descendants produce sugar cane, copra, coconuts and manioc. And you'll discover La Soufrière with its fascinating geological activity, before getting back onto the boat in Soufrière Bay.
Day 3 - Saturday BARBADOS / REMOTE BARBADOS IN A 4X4 (1/2 day)*	From sugar cane fields to tropical forest via the village of Bathsheba, you'll drive over dirt tracks through the most inaccessible parts of the island and see the finest views of the Atlantic coast. (bumpy road)
Day 3 - Saturday BARBADOS / SUBMARINE (1/2 day)*	A unique opportunity to admire the splendour of the tropical sea. Venture into this realm of silence, 50 metres down, on a high-tech submarine. Discover the coral reefs (sea fans, sponges) and fish (angel, butterfly, surgeon and boxfish, to name but a few). Visibility depending on weather.
Day 3 - Saturday BARBADOS / LITTLE ENGLAND (1/2 day)*	Don't miss this opportunity to discover the treasures of what we call "Little England" in the West Indies. First Farley Hill, a popular meeting place for Barbadians, then Bathsheba, a small fishing village beaten by the waves of the Atlantic and known to surfers from all over the world. Treat yourself to a refreshing drink at the new Hillcrest Community Center and finish with Codrington College. Long way by bus.
Day 3 - Saturday BARBADOS / HISTORIC PLANTATION & TRAIN (1/2 day)*	Embark on a magical train ride through the rolling hills of St. Nicholas Abbey. Discover the historic Jacobean mansion, its steam mill, and rum distillery. Enjoy breathtaking views after a scenic journey along Cherry Tree Avenue. On your way back, admire the wild beauty of the stunning East Coast.
Day 12 - Monday EL HIERO / VALVERDE *	Set off to discover Valverde, the peaceful and charming hilltop capital of El Hierro. Accompanied by your French-speaking guide, stroll through its quaint streets, visit its iconic church, and take in breathtaking views of the ocean and surrounding landscapes. This authentic excursion is perfect for soaking up the quiet charm and gentle pace of life that define this unspoiled Canary Island.
Day 14 - Wednesday TENERIFE / LANDSAPES AND HERITAGE OF TENERIFE*	This historic tour of the island will take you to La Orotava, one of the oldest towns in the Canary Islands - founded in the early 16th century after the Spanish conquest - which retains a rich architectural heritage. You will then head for Icod de los Vinos in north-eastern Tenerife, where you can see the Ancient Dragon Tree (Dracaena draco), which was declared a national monument in 1917 and is thought to be over 800 years old. Lastly, you will visit the village of Garachico on Tenerife's northern coast. As a port on an island at the crossroads of Europe and the New World, three hundred years ago, it was such a wealthy place that one of its streets was paved with marble. You can explore its ancient convents, monasteries and other historical colonial buildings. The tour of the island will come to a pleasant end with a glass of wine and some local cheese.
Day 15 - Thursday LAS PALMAS : GRAN CANARIES LANDSCAPES (1/2 day)*	Your tour to the interior of Gran Canaria will take you first to visit the village of Agüimes; an old domain with pastel colours and pedestrian streets dotted with sculptures. You will then go to the natural park of Guayadeque. This 15-km stretch of winding ravine is fascinating with its wild landscape and verdant slopes covered with native vegetation. You will encounter the many natural caves, formerly used by the islanders as dwelling or burial places. This tour will end with an opportunity to taste the local cheese and wine.

* Excursion available at a preferential rate when booking your cruise. Subject to a minimum number of participants.
